WELCOME to the ninth edition of The Times at the Star, our very own newsletter keeping you up to date with all that is happening in your pub.

We have just spent a lovely few days out and about with our grandchildren visiting us over the half term break but its back to school for them now and with more storms forecast this weekend we are cosyng up with our log burning fires. Just the thing to warm you up over a nice warm cup of coffee and piece of cake or perhaps something a little stronger to keep out the cold.

Hope you have been enjoying the 6 Nations Rugby over the past three rounds. After a disastrous start it was nice to see England regain the Calcutta Cup with their win over Scotland. It's unfortunate that the match between Ireland and Italy due to be played on March 7th has had to be postponed, let's hope that all the other games will be able to take place. During the tournament we are extending our breakfast serving times to 10am till 2.15pm and of course we are still serving half time snacks at every game.

Thursday 5th March is St Piran's Day. Come along and celebrate with us. We will be playing lots of Cornish music and there will be free Cornish Pasties from 2-5pm. Continue the celebrations in to the next day when we welcome back to the Star the fabulous "Cork an Barbor". If you were lucky enough to see them last time they were here I'm sure you won't want to miss them. They have a great repertoire of traditional Cornish songs and Sea Shanties.

This year St Patrick's Day falls on a Tuesday so in true Irish tradition we will be celebrating all weekend starting on Friday 13th March and continuing until St Patrick's Day on the 17th. For the whole duration you can enjoy a pint of Guinness, a large Jameson or a large Baileys for only £4. On Saturday we will be serving our big breakfast from 10am, come along and watch the rugby and enjoy s free bowl of Irish Stew with some home made Soda Bread. Following the rugby we will be entertained by the very talented Mic Mc Creadie, who will also be playing for us from 5pm on Sunday. Our Sunday Carvery will be open as usual from 12 noon to 5pm on Sunday 15th. Our drinks deals still continue on Monday and we weill have lots of Irish Music all day. And so to the big one, St Patrick's Day, Tuesday 17th March, free Irish Stew and Soda Bread and Irish Music all day, if we are really lucky we may even be able to get Mick to play the spoons!!! Hope you can join in the fun " the Craic will be mighty".

And towards the end of this very busy month we have Mother's Day. Sunday March 22nd is the date of this special day this year. We will be serving our Sunday Carvery from 12noon to 5pm. A main course Carvery is only £9.95 with a choice of 4 roast joints, beef, turkey, pork and gammon and 7 fresh vegetables, roast potatoes and all the usual trimmings. There is always a vegetarian option and we can also cater for gluten free guests. All our desserts are home made and delicious so be sure to leave room for one. We are now taking bookings for Mother's Day, so if you would like to join us to treat your Mum, give us a call to reserve your table.

Our Pensioner special lunches and our daily evening deals still continue throughout March.

Don't forget to put your clocks forward on Saturday 28th March, looking forward to all those lovely lighter nights,
